

# Busker Tokens

Cut them out, wrap them around coins and pass a message along with your contribution.

Keep up the  
good work.

I think  
you're great.

You made  
me smile.

That was  
lovely.

Thank you  
for the  
music.

Using a  
backing  
track is  
cheating.

Tube noise +  
Your amp =  
TOO MUCH

I love music.  
That's why I  
have an iPod.

Practice.

I work in  
A&R.  
It's a "no".

Your music  
illuminates  
this place.

Good stuff.

You made  
my day.

More please.

You play  
very well.
